The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is catarrh. Hall's Catarrh Cure
is the only positive cure now known to
the medical fraternity. Catarrh be-
ing a constitutional disease, requires a
constitutional treatment. Hall's
Catarrh Cure is taken internally, act-
ing directly upon the blood and mu-
cous surfaces of the system, thereby
destroying the foundation of the dis-
ease, and giving the patient strength
by building up the constitution and
assisting nature in doing its work.
The proprietors have so much faith
in its curative powers, that they offer
One Hundred Dollars for any case
that it fails to cure. Send for list of
testimonials. Address,

German Lecture Monday Night.

Lieutenant von Logins, of the
Transvaal, will lecture on Monday
evening at the lecture room of the
First M. E. church on his experiences
in the Boer war with England. This
will be an occasion of more than or-
dinary interest, and the pleasure of
hearing the mother tongue of the Ger-
man people will attract all lovers of
the German language. The German-
speaking colony is quite large in this
city, and there are a great many stu-
dents in the various schools taking
German in their course of studies. All
such will want to hear this lecture.

thrown from a horse near the resi-
dence of Mrs. Jacobson Monday. His
leg was broken, and he was otherwise
badly bruised. Mrs. Jacobson heard
his cries for help. She got him into a
boat and took him home. Had the ac-
cident happened further up the road
he might have perished before being
found, as the road is seldom traveled.

"Fear hath torment and kills" is
true as applied to health. Don't be
afraid everlastingly that you will be
sick, or you surely will be. That kind
of mental attitude predisposes to dis-
ease. Try to cultivate an assurance
that you will be healthy, which you
will find it easy if you commit your-
self into the hands of an osteopath.

A NEW DEPARTURE

A New, Effectual and Con-
venient Cure For Catarrh

Of Catarrh remedies, there is no
end, but of Catarrh cures, there has
always been a great scarcity.
There are many remedies to relieve,
but very few that really cure.

The old practice of snuffing salt
water through the nose would often
relieve, and the washes, douches,
powders and inhalers in common use
are very little, if any, better than the
old fashioned salt water douche.

The use of inhalers and the appli-
cation of salves, washes and powders
to the nose and throat to cure catarrh
is no more reasonable than to rub the
back to cure kidney disease. Catarrh
is just as much a blood disease as kid-
ney trouble or rheumatism, and it
cannot be cured by local treatment
any more than they can be.

To cure catarrh whether in the
head, throat or stomach, an internal
antiseptic treatment is necessary to
drive the catarrhal poison out of the
blood and system, and the new catarrh
cure is designed on this plan and the
remarkable success of Stuart's Cat-
arrh Tablets is because being used
internally, it drives out catarrhal in-
fection through action upon stomach,
liver and bowels.

Wm. Zimmerman, of St. Joseph, re-
lates an experience with catarrh
which is of value to millions of cat-
arrh sufferers everywhere. He says:
"I neglected a slight nasal catarrh un-
til it gradually extended to my throat
and bronchial tubes and finally even
my stomach and liver became affected,
but as I was able to keep up and do
a day's work I let it run along until
my hearing began to fail me and then
I realized that I must get rid of cat-
arrh or lose my position as I was
clerk and my hearing was absolutely
necessary."

Some of my friends recommended an
inhaler, another a catarrh salve, but
they were no good in my case, nor
was anything else until I heard of
Stuart's Catarrh Tablets and I bought
a package at my drug store. They
benefitted me from the start and in
less than four months I was complet-
ely cured of catarrh although I had
suffered nearly all my life from it.

They are pleasant to take and so
much more convenient to use than
other catarrh remedies that I feel I
cannot say enough in favor of Stuart's
Catarrh Tablets."
